Death of Sherman H. Clark.

The people of Pocahontas county and many in Greenbrier, who knew him well, were painfully shocked when the news came yesterday that Sherman H. Clark, Esq., had died the day before at a hospital in Richmond, Va., where he had been for several weeks, recovering, as it was hoped, from an operation for cystic lithiasis. His body was brought to Ronceverte, where it was met by friends from Hillsboro, near which town Mr. Clark lived, and taken up on the Greenbrier River R. R. yesterday for interment. Mr. Clark was a native we believe, of Connecticut, but had lived in Pocahontas pretty much all his life. He was one of the most substantial men in that county—a former of the County Court, an Elder in the Presbyterian church, a leading farmer and grazier and in all respects a most excellent man and citizen whose death will be keenly felt throughout the county. By patient industry, the exercise of good judgment and judicious investment Mr. Clark had accumulated a very considerable fortune, consisting mainly, if not entirely, of fine lands and stock. He was about 75 years of age and leaves a wife and one daughter—Mrs. Lee Beard—surviving him.
